

O dipst into the future far as human eye could  
 see,  
 Saw the vision of the world and all the wonders  
 that would be;

...

The war drum throbb'd no longer, and the battle  
 flags were furled  
 On the Parliament of Man, the Federation of the  
 World.

There the common sense of most shall hold a  
 fretful realm in awe,  
 And the kindly earth shall slumber, left in  
 universal law.

Alfred Lord Tennyson

All the past we leave behind us;  
 We rebound upon a newer, mightier world,  
 varied world;  
 Fresh and strong the world we seize, world  
 of labor and the market,  
 Pioneers! O Pioneers!

Walt Whitman

We shall love the Lord our God with  
 all our heart, and with all our soul, and  
 with all our mind, And we shall love our  
 neighbors as ourselves. For on these two  
 commandments hang all the law and the  
 prophets.
