

Light and dark in a painting by Giacomo Balla, The Museum of Modern Art, New York City

A HIT SONG DURING WORLD WAR TWO WAS A PRAYER:
WHEN THE LIGHTS GO ON AGAIN ALL OVER THE WORLD.

TODAY THE CHALLENGE IS THE RE-BIRTHING OF LIGHT
IN THE PERSONAL LIVES AND THE IMPERSONAL STREETS
OF TENSE URBANIZED AREAS ALL OVER AND NEAR-BY.

STILL/STILL THE REBIRTHING OF LIGHT IS A PROCESS
OF FAITH, OF RECONSTRUCTION AND OF RECONCILIATION.

A SOLID CHRISTMAS AND A POSITIVE NEW YEAR,
