Dear Lee:-

Here are the final clippings on the world series. Maybe you have heard all about it by this time, by radio or local paper.

Yesterday, Columbus Day, we had our seventh annual field and track meet and Lincoln cottage came out on top, as they have done for several years. Dunbar, Ball and Washington came in in that order. It was a fine afternoon and everything went off without mishap.

We had hoped to get a letter from you this morning, but we understand that you are busy and cannot write as often as you would like.

Tomorrow is Board day which is always a busy time.

If you are getting a church calendar you know that this coming Sunday evening the young people at church are giving a musical. Julia and Betty Bird will be the vocal soloists, May will play the organ and Dick Cochran the piano. I am sorry they did not arrange this before Shirley went so she could have appeared, also.

Gordon Bethards expects to be called into the service any time within the next two weeks.

Do you remember Marvin Garyantes who used to be here at the school? We received a nice letter from him this morning. He is in the navy somewhere in the Pacific. He wanted to be remembered to you. In fact whenever we get letters from any of our boys in the service, if they have known you, they always ask about you. Do you ever hear from Johnnie Curlett? The last letter we got from him was sent from Seattle, I believe.

Take good care of yourself and remember our prayers and best wishes are with you every day. Lots of love.

Mother
