Dear Lee:

Well, how is the prospective second lieutenant and pilot? I imagine you are just about up to your necks in flying, along with trying to get all the arrangements ready for graduation! It won't be long now, will it?

I just finished writing a letter to Percie and I thought that I hadn't written to you for quite some time! So here I am! We've been having a hellish time of it lately! Our darling Dean, Admiral Dewey himself, is on the rampage and is going to be found dead one of these lovely mornings! Did you ever get so that everything your Dear does was wrong! Well, she does it! Last night after a terror of a council meeting, I felt stoked and so I called home. Mother and Dad were out but I talked to our respectively crazy sister! Walter was there, as usual, and so was Grassy Jones! You'll see what I mean, maybe, when you are up here, about the

Admiral! She's even worse than Howie! He really seems much beside her! Do you ever get any news from "A.I." or Mr. Zingst! I was really going to write to him but I haven't yet! He'll probably disown me!

Fred has started to fly now and he is crazy about it! He told me all about the first time he was up and he really liked it. I told him about you and he wishes that he were you and all the way through, well almost anyhow! He will be leaving here just about the time you graduate! More fun!

Daddy wrote me a crazy letter from New York. He certainly was having a good time visiting all the hot spots. I guess we will really have a big time on the day when we go there! I guess we won't go to the Swedish restaurant because it isn't your type! You're the boss, though, this time!

Well, not much news here now! Same old grind! I will certainly be glad to be home again! I'm glad you're having such a wonderful time with your flying even though they probably give it to you so fast you don't know what you are doing. 'Good - night, now.'

Lots of love -

P.S. Here's some pictures, but Shirley send them back because I don't have any negatives or reprints! Hope you like them!
