Dearest Lee,
The Cards won the World Series after all. Daddy thought you might have a chance to listen in to some of the games. Did you? Bernice is playing some hockey at Tower Hill and because two of the regular players are sick she may go to Oxford, Pa. today with the varsity. She is still struggling with lessons, especially French and English, for seemingly she was far behind what the pupils at Tower had had in these two subjects. Our annual Field and Track Meet is scheduled for tomorrow - Columbus Day, and I hope it doesn't rain. McLaughlin, in charge of New Castle Air Base, has been assigned to foreign duty. Cpt. Flood at Ft. du Port has been made Major. My area makes its first report in the United War Fund Campaign this afternoon. A letter came from Francis McEney this week. He is now in France. You've been gone a week now. By this time next week I hope we hear from you. Everyone is fine. Love, Mother
