Monday night

Dear Lee:

I just got a letter from mother today, telling me of the change in your address. I do hope that you got all the other letters I have written to you, I imagine that they'll catch up with you somewhere, anyhow.

There hasn't been too much of interest going on around here lately. On Friday night we had our very, very formal President's Reception and it wasn't too bad. But, it made me sick to get all dressed up in evening clothes and not be going to a dance. Mother made me a beautiful new dress though and I had a pair of long white gloves up to my elbows. We had our pictures taken in our formal, so if ever comes out I'll send you one.

Tuesday got a letter today from a fellow who writes to who was up here last year. He used to be with the crowd of cadets that went around with us. He's at Maxwell Field now and said the fellow in the room next to him is for Wilmington. He asked him if he knew me and he said yes - he knew my old my brother and my dad. He said his name was Charles Brown and that he had red hair. So, I can think of no one else but Charles Brown who used to play football for A.C. and was a year ahead of you. Lucky!!

There's a faculty mixer called tonight, so I'm going to run. Will write later this week and let me hear from you soon.

Dream of love -

Shirley
