Dear Lee:

A beautiful Palm Sunday!  
Stabat Mater by the choir in  
afternoon a feature. Full  
church.

Haven't seen Billies  
practice yet. If you had been  
here I know I wouldn't  
have slipped so badly. When  
they practiced in the South  
I used to think how nice it  
would be to see them. And  
in my own backyard I  
don't go to see them.

I've already got Alex  
Douglas, pro, lined up to give  
you a series of lessons on  
golf. From the score you  
sent to me once I thought this  
would be in order. A half  
dozen lessons and you'll get  
the fundamentals of a game  
that will give you a lot of  
satisfaction.

I had hoped you would  
be here Easter. We'll be think-  
ing of you. The best  
Dad
