page 46 Leaflet dropped over Germany in March, 1945 as the European war was ending.

Translation by Dr. Harry Butowsky

IN THE WEST:

The West wall has been broken!

More than 1,000,000 prisoners have been taken since the invasion!

Anglo-American air offensive extends from the Rhein to the Eastern Front!

IN THE EAST:

East Prussia, Posen (Poland) and Schlesia have been overrun!

The "Ruhr" of the East has been lost!

The Red Army is deep in Brandenburg, Saxony, and Pomerania!
