Dear Lee:-

I thought you would appreciate a couple of good contacts in El Paso for the week-end, and I called Bishop McKinistry to find out who he knew there. He has wired the Rev. B.M. G. Williams, Asst. Rector, St. Clements Episcopal Church to see that you meet some substantial family in El Paso. As soon as you land in El Paso get in touch [with] this gentleman. He will be expecting a call. I think this will be a lot pleasanter for you than just taking the town cold.

We're having Christmas dinner for the boys to-morrow night. Expect Shirley home, too. The four of us will probably take in the A. I. program

I hope all goes well with you, and that you have as good a Christmas as possible under the conditions. I hope my arrangement may be the means of making your let-up a little pleasanter.

The best to you.

As always,

Dad ~

Am hurrying this off on the evening trip.
