Dear Lee:

I've depended on mother to keep you abreast local doings. Your mail is coming through in five days. I hope delivery from here improves.

Congratulations on piloting the Blue Hen Chick through her missions. We're awaiting her picture and the crew by her. I want one for the Delaware archives.

Sorry you couldn't get home or didn't. You are probably wise in your decision - and we can wait. We're hoping Nazi Germany will give up soon. Their fanaticism is certainly deep rooted, isn't it?

Bomber lost first game of play off to Jphas by 4 points - like last year. We play them again Wednesday.

Thinking of you all the time, and wishing you the best!
Dad
