ENCLOSURE

Dear Lee:

A beautiful Palm Sunday!
Stabat Mater by the choir in
afternoon a feature. Full
church.

Haven't seen Billie's
practice yet. If you had been
here I know I wouldn't
have slipped so badly. When
they practiced in the South
I used to think how nice it
would be to see them. And
in my own backyard I
don't go to see them.

I've already got Alex
Douglas, pro, lined up to give
you a series of lessons on
golf. From the score you
sent to me once I think this
would be in order. A half
dozen lessons and you'll get
the fundamentals of a game
that will give you a lot of
satisfaction.

I had hoped you would
be here Easter. We'll be think-
ing of you. The best
Dad
