Dear Lee:

A beautiful Palm Sunday! Stabat Mater by the choir in afternoon a feature. Full church.

Haven't seen Phillies practice yet. If you had been here I know I wouldn't have slipped so badly. When they practiced in the South I used to think how nice it would be to see them. And in my own back yard I don't go to see them.

I've already got Alex Douglass, pro, lined up to give you a series of lessons on golf. From the score you sent to me once I thot [sic] this would be in order. A half dozen lessons and you'll get the fundamentals of a game that will give you a lot of satisfaction.

I had hoped you would be here Easter. We'll be thinking of you. The best!

Dad
