Dear Mother,

Well, I am still sitting and waiting. Maybe I will see you in September.

Probably some mail will be forwarded home from my old address soon. Save them (IT) please. You can write me at the above temporary address now. (V-MAIL).

Today the announcement of the new atomic bomb came out, a horrible warning and a great promise for the future.

Yesterday I saw the movie Winged Victory; a good show, pretty accurate but too melodramatic.

Recently I went to Blackpool, a very American amusement resort.

Love to all,

Lee
