Dear Mother and Dad,

I am coming home!!When H.M.S. Queen Elizabeth next docks in New York I will be cheering from her deck. At last -- it will be great to be home again.

Remember that it may take a couple days to travel from New York to Camp Dix to Wilmington. I will get in touch with you as soon as I know how things will proceed. Does Wilmington play a Labor Day double header home?

See you soon.

Love to all,

Lee

Have received three letters.
