Dearest Lee:

Just about the time for the ball game last night we had a heavy storm, which lasted too long for the game to be played, and as Hagerstown beat Lancaster the Blue Rocks are back in first place again. They will not play in Wilmington again until next Friday.

I am trying to gather up all "loose ends" in the office this morning, for I plan to leave tomorrow for a week at Ocean Grove summer school unless you arrive in town. It doesn't seem too long that you and Jeff drove Mrs. Malone and me down. Do you remember? This time I have to go by train, which is not too good especially on a weekend and at a time when we are all being urged to save trains for the movement of troops.

Grandmother Minker will come out tomorrow and hold forth with grandmother Jones until my return. If you get home I want to be called immediately so I can be with you.

We have had the Blue Hen Chick pictures developed and they are fine.

We ordered tickets for the Brandywiners last night. To be on the safe side we have ordered two for you, - one for each night. We can easily get rid of the extra ticket if necessary. Beginning next week the girls will have to practice three nights a week.

It seems too good to be true that before many days you will be at home again. Judy and May will be home by that time, of course; and Ben Johns is planning to come to Wilmington sometime in July I think, so we will be having a regular "old home week".

Love to you dear, from all of us.

Mother
